

ANASTASIJA SELEVJORSTOVA

- ✦ I am an adaptable and enthusiastic person, unafraid of challenges and drive decision-making processes when necessary.
- ✦ Passionate about all things tech, especially UX/UI design and front-end development.
- ✦ I constantly seek new opportunities to apply my skills and knowledge in the IT field while simultaneously adding value to the company.
- ✦ Lately, I have been working on various projects in UX/UI and front-end, each serving different purposes. You can find my **portfolio** here: <https://asyase.github.io/about-me/>
- ✦ Organized, proactive, and focused when working remotely, I am also a fast learner.
